

## An Outing by 5A Cindy Chan

Last weekend, I went on an outing with my family. We took a minibus to the country park. I was so happy and excited. My sister and I played for a while. Then, it was lunch time.

At lunch time, we sat down and had a barbecue. We had some sausages, chicken wings, fishballs and cola. We all enjoyed our lunch.

After our lunch, my sister asked, 'What are we going to do after lunch?' I replied, 'We are going to fly a kite and play badminton after lunch.' Suddenly, it started raining heavily. We were very disappointed. We were all very wet. Then my dad had an amazing idea. Dad suggested going back home and playing card games together. In the end, we spent the day happily.

What an unforgettable day!
